

Day Break Itinerary

Check-In at London Gatwick

Magic of Lapland will have a dedicated check-in with British Airways at London Gatwick South Terminal.

Arrival in Lapland

To maximize your time at the Magic Forest we suggest that toilet facilities are used prior to landing, as airport arrivals can be very busy.

Once you have passed through passport control you will be met by a Lappish Guide who will show you to your coach. Transfer time between the airport and the safari house where you collect your thermal clothing is approximately 35 minutes.

En route to the Magic Forest you will stop to collect thermal clothing. You will receive a bag for your own outer clothing (jacket and shoes). You need to wear your own clothes underneath the thermal clothing. You will be asked to leave the bag with your own clothes at the safari house. The building is supervised however; we suggest that you take any valuables and passports with you.

Magic Forest

Upon arrival to Magic Forest you spend the day at leisure and take activities in your own time. We arrange for snowmobile ride, husky dog ride, tobogganing, snow shoe walking, tandem skiing, reindeer ride, private visit with Santa, make gingerbread cookies and have Lappish hosts show you how to make traditional Lappish Christmas decorations. A simple lunch (hearty vegetable soup), bread, cookies, hot drinks and coffee are served throughout the day. You will also have an opportunity to BBQ sausages on an open fire.

You will be given specific time at which you are scheduled to visit Father Christmas. This helps us ensure that there is no queuing.

Kittilä Airport and the Return Journey

At the end of your day in the Magic Forest you collect your own clothing en route to the airport. Once you arrive at Kittilä Airport you will need to check-in again and pass through security. We recommend purchasing food at the airport.

Letters to Santa

If you wish to bring your children's letters to Santa with you instead of posting them in advance, please pass them discreetly to our Lappish guides before you arrive at the Magic Forest. This can be done anytime from arriving in Lapland to your arrival at the Magic Forest. Guides are aware that they may receive letters. Please do not hand them to the staff in the safari house. We would kindly ask that children's letters are placed in unmarked envelopes with the lead booker name, booking reference and the children's names on them.

Please note that itinerary and times may vary to fit local conditions.
