

Wilderness Husky Short Break 7 Night / 8 Day Itinerary

Day 1

Finnair flights usually land at 1915. On arrival transfer to Muonio, welcome dinner and overnight in a safari house with shared facilities. Pick up thermal clothing.

Day 2 – 5

After breakfast you will be provided with safari equipment and meet with the guide who will give you a short introduction to the program for the week. You meet your own dog team, the sled will be packed and you will be taught how to handle the sled.

The route will take you through the beautiful forest scenery, over frozen lakes and along the rivers. Each night is spent in different, simple but cozy huts without electricity. Each hut has a sauna to wash yourself and a wilderness toilet (without water).

Everyone takes care of their own dog team, helps to prepare meals and make fire. Breakfast and dinner are prepared in the huts, lunch by open fire in the wilderness.

Day 6

Return to Harriniva in the afternoon. Go through your safari memories together once more during a delicious farewell dinner with Lappish specialities. Overnight in one of our safari houses with shared facilities.

Day 7

Today you have a free day to relax or to book some of our other activities available. Lunch and dinner is served in the restaurant. Overnight in one of our safari houses with shared facilities.

Day 8

Breakfast and transfer to Kittilä airport.

*NB You will receive an up to date itinerary with exact times upon your arrival in Lapland at which point you should disregard this itinerary.*
