

MAGIC *of* LAPLAND

EST 2005

ICEHOTEL Break 4 Night / 5 Day Itinerary

Day 1

1305

SAS usually lands at 1305 in Kiruna. Pick up from Kiruna Airport and transfer to the ICEHOTEL.

Overnight in Snow Room.

Day 2

0800-1000

Breakfast in ICEHOTEL restaurant.

0900-1500

Arctic Wildlife Safari on Snowmobiles – 6 hours

Along with a local guide, this tour takes you through a magnificent mountain scenery. Learn about the wild animals native to this region, how the moose affects the climate here and tracking them, as well as reindeer and grouse. The length of the tour will be determined by the season and weather conditions which also influence the appearance of the unique winter light north of the Arctic Circle.

This is a unique opportunity for the photography enthusiasts. Lunch with local ingredients will be served during or in connection with the safari, the location will be determined by weather and season.

Overnight in Warm Room.

Day 3

0800-1000

Breakfast in ICEHOTEL restaurant.

1115-1515

Husky Adventure – 4 hours

This hands-on tour lets you to drive your own team of Alaskan huskies. After an introduction to equipment and safety, the journey through the winter landscape begins. Heading out across the snowy plains is a feeling of freedom. Halfway through the tour, a traditional lunch is served at a cosy wilderness camp. After the break you begin your return back to the kennel, where you help unharnessing the dogs and are driven back to Icehotel.

MAGIC of LAPLAND

EST 2005

Choose to come along as a driver or passenger.

NB in previous years the passengers and drivers have taken different routes but meet for lunch halfway.

Overnight in Warm Room.

Day 4

0800-1000

Breakfast in ICEHOTEL restaurant.

1515-2030

Northern Lights on Horseback – 5 hours

Ride in the Namia wilderness on Icelandic Horses. Our partner, Ofelaš, keeps a stable of Icelandics near the foothills of Kebnekaise, a pristine area of deep pine forests and hilly terrain.

On this tour we ride out on the Icelandics on a gentle tour in search of the northern lights and moose. The moose stay in the forest around the farm in the winter to find food.

Transfer and dinner with local ingredients served in a Sami hut is included.

(this safari takes place between 1700 and 2200 in March)

(minimum age 12 years, maximum rider weight 90kg)

Overnight in Warm Room.

Day 5

0800-1000

Breakfast in ICEHOTEL restaurant.

1500

Transfer to Kiruna Airport

1715

Return flight (other flight times available)
