Notes:

- Making decorations and snow fun activities take place at the same time. From our experience you should have plenty of time to enjoy both.
- There is usually time between returning from activities and meals, E.g. your snowmobile safari will be back by approximately 1200 so that you have some time before lunch and the following activity.
- For the enjoyment of all guests we kindly ask that you are on time for your activities. Should you be late by more than 10 minutes the safari may start without you.
- A list of optional activities will be supplied once in Lapland. All major credit and debit cards are accepted as well as cash in Euros.
- Please note that itinerary and times may vary to fit local conditions.

*NB You will receive an up to date itinerary with exact times upon your arrival in Lapland at which point you should disregard this itinerary.*
