

Aurora Cabin

The luxurious two- storey chalet Aurora nestles in the unspoiled forest of Ylläsjärvi. The property has 6 spacious en-suite bedrooms, two of which can be interconnecting. Each bedroom has its own entrance to the balcony/terrace. Master bedroom has also private sauna. The chalet has a large living room with a two sided wood burning fire place that opens to the living room and to the dining area. There is also additional cosy seating area on the second floor. The property offers a stylish communal sauna, showers and dressing room with access to the terrace. Chalet has an extensively equipped kitchen and separate utility room for washing and drying the clothes.

Area: 229 square metres

Bedrooms: 6 en-suite bedrooms

Cabin facilities: 40" TV, DVD/CD-player, 2 ovens, 2 fridge/freezers, microwave, dishwasher, coffee/espresso/cappuccino machine, washing machine, drying cupboard for clothes.
