

Arctic Luxury Cabins

Immerse yourself in the epitome of luxury at our exclusive cabins nestled in a secluded wooded enclave. Each cabin boasts four en-suite bedrooms, with an additional loft bedroom; an indoor or outdoor jacuzzi; an outdoor Kammi room on the first floor with an open fire (perfect for toasting marshmallows); spacious living areas and plenty of outdoor space for tobogganing.

Indulge your culinary senses with a private chef creating tailored meals as well as hand-crafted cakes for special occasions.
