#### Northern Lights Snowmobile Safari

Come with us on a snowmobile tour in search of the Northern Lights, a journey that promises adventurous moments under the Arctic sky. The area in which Nivunki rests is far away from artificial lights and an ideal spot for Northern Lights hunting. This tour is not just about the Northern Lights – it's about experiencing the pure essence of nature in all its forms. On the way we pause in a kota, a traditional Lappish tepee. Nestled amidst the snow-covered landscape the kota offers a cozy break during which we enjoy local treats.

### Day 2

0800-1000

Breakfast in the restaurant.

1330-1700

#### Half Day Husky Adventure

Join us on an unforgettable half-day husky safari adventure, where you'll harness the power of these magnificent Arctic dogs and journey deep into the snowy wilderness. Led by your own team of huskies, you'll experience the thrill of husky ride, guided by the expertise of your experienced musher. After a brief orientation and safety briefing, you'll be paired with your own team of huskies, each one eager and ready to take you on your Arctic journey. Halfway through your safari, we'll stop at a Lappish hut, kota, for a traditional snack and hot drinks. During the break you'll learn more about your four-legged Arctic companions. As your husky safari comes to an end, you'll return to the husky farm with everlasting memories and a newfound appreciation for the incredible bond between humans and dogs.
